

10 reasons to join UCU

1

Support throughout your career

from free professional development courses to confidential advice if you have a problem at work.

2

The voice of the profession

we campaign on a range of issues including job security, academic freedom and workload.

3

Every day our trained local representatives

backed by full-time UCU officials, help to resolve hundreds of problems in the workplace.

4

UCU's excellent legal scheme

provided by specialist employment lawyers, gives members access to professional legal advice, covering employment rights, personal injury and police enquiries.

5

Developing your career

free professional development courses including classroom management and how to write a research grant application:

<http://cpd.web.ucu.org.uk>

6

With almost 110,000 members
we are the largest post-school
education union in the world.

7

**A network that
includes**

academics, lecturers,
trainers, instructors,
researchers, managers,
administrators, computer
staff, librarians and
postgraduates.

8

**Recourse offers
24/7 support**

for workplace and
personal issues
from counselling
and coaching to
financial support.

9

Our monthly fees start as low as £1

most members can claim tax relief on 67%
of the subscription, which reduces the cost
even more! For our current subscription
rates see: www.ucu.org.uk/subscriptions

10

**UCU believes in an education
system which helps people**

to reach their full potential.
We oppose privatisation and
campaign for increased public
investment to bring us in line
with our global competitors.
